What a fantastic morning of birding with Beth! Our first bird was Albert, the young Great horned owl, sitting right next to Beth's house and checking us all out!

Beth also had coffee and muffins waiting for us along with her wonderful wildlife!

Thanks to all who came out and made sure others saw the owl and other birds. Thanks again to Beth for sharing her yard and expertise!

Below is the ebird list from today. Please let me know if I've missed anything. Those of us who left last were treated to a nice visit by a beautiful pileated woodpecker as we were attempting to leave.

Feel free to join the Brownwood birders tomorrow (11/07/23) afternoon at 4 at DeLuna pool/postal which you can find from the Deluna entrance that hits 301. Thursday is The Village Birders' trip to Ocala Wetlands Recharge park!

Keep looking up!

Wendy
