Mark Cudney, our leader, along with 15 birders, enjoyed a wonderfully birdy day at La Chua Trail, Paynes Prairie, in Gainesville.

Our combined lists (below) totaled an outstanding 64 species!

Specialties were Snail Kites, Lincoln, Song, White-crowned and White-throated Sparrows, Hermit Thrush and a hooting Barred Owl.

And, of course, there were many Alligators just sunning themselves!

Thank you Mark, for leading our walk.

Thank you everyone for joining us and thanks to Giselle and Tammy for eBirding for us.

The Village Birders' events can be seen on our website: www.villagebirders.org
