We had a very nice outing with 8 of us identifying 31 species. It was quite foggy as we started so we did not go all the way to the observation tower. We saw several Eastern Phoebes and Northern Cardinals. We also had a wide variety of wrens including Sedge Wrens, Marsh Wrens, House Wrens and Carolina Wrens. We also had a couple of nice looks at the cute Swamp Sparrow and a Prairie Warbler. Picture below is a Prairie Warbler, Swamp Sparrow and Sedge Wren. Our complete checklist is below - thank you Gisele!!
