Birders:

The bird of the day was definitely the stunning male Vermillion Flycatcher. We missed it on the first go around but four intrepid birders persevered. to find it at the end of the trip. Good finds included the uncooperative Grasshopper Sparrow, Ruby-Crowned Kinglet, many Snail Kites, two eclipse plumage Green-winged Teals and one Purple Gallinule spotted by Liz. A total of 61 species were seen by the 8 participants. Mark saw a Merlin that he added.
