Subject: [the-village-birders] Village Birder's Walk 2/13, Chinsegut, Brooksville, FL
Date: February 13, 2026 at 1:28 PM
To:

Thank you participants for a total species count this morning of 25.

The Red-headed and Red-bellied Woodpeckers were out and about disagreeing over tree space. The Pine Warblers were monopolizing a suet feeder, but did allow one brave Yellow-throated Warbler to grab a quick bite. The tube feeders saw American Goldfinches, Carolina Chickadee and a Tufted Titmouse.
