[the-village-birders] Meet and Bird report from today 3/14

To: Village Birders, Brownwood Birders

Reply-To: Alice Horst

Another incredible day on the “trails”!

30 of us studied Little Blue Herons: (white-immature vs blue-adult birds) at Fenney Springs’ retention pond. Blue-winged Teal, both Yellowlegs, Belted Kingfisher were busy feeding and everyone’s favorite Woody Woodpecker - the Pileated Woodpecker was perched atop a snag tree for pictures. From the boardwalk we watched a beautiful Tricolored Heron in breeding plumage getting breakfast. Many little birds flitting around in tree leaves. Barred Owls have not been seen yet at the boardwalk BUT Wendy had a Great Horned Owl (or 3) up her sleeve about a mile away at Sugar Cane. 30 of us caravanned to Sugar Cane and walked to a well hidden Owl’s nest with 2 Owlets, barely showing their heads. We did see one adult Owl in a nearby tree, obviously watching US!

If you go to see the nesting Owls, PLEASE RESPECT THEIR SPACE, and do not get too close to THEIR tree.

Fabulous day, thank you everyone for coming out to go birding.
Welcome to the brand-new, 1st-time birders. PLEASE come back!
