Subject: [the-village-birders] Village Birder's Walk 3/4, Sunnyhill Restoration, Umatilla
Date: March 4, 2026 at 1:07 PM
To:

Thank you to leader Tammy Martin and our participants for a total species count this morning of 46.

The morning started out with fog making visual identification tough against the gray sky as feeding flocks work the tree tops. Highlights included two calling Barred Owls, one Wild Turkey running down the path, a photogenic Hermit Thrush and eight different Warbler species.

Link to eBird Checklist: <https://ebird.org/checklist/S305931716>
Full species list and count at the bottom of the email.

Participants if you want the eBird checklist shared to your eBird account please email me directly with your eBird User ID or the email address associated with your eBird account.
