[the-village-birders] The Village Birders – Moss Bluff Walk – 4-7-21

Fourteen enthusiastic birders enjoyed a beautiful morning this Wed. at Moss Bluff. The main focus was nesting Great Egrets and Great Blue Herons with chicks of all ages being fed, or making it clear they were ready for the next meal. Thanks to group participation, a total of 31 species were identified, including Purple Gallinule, Green Heron, Bald Eagle, Coopers Hawk, and a Marsh Wren. Although fewer migrants were seen than normal, the Oklawaha River setting confirmed that every day is a good day to go birding.

The bird list is attached.
