[the-village-birders] Our Trip to Mead Botanical Garden To: Village Birders <The-Village-Birders@googlegroups.com> Reply-To: Alice Horst

Village Birders' Monday trip to Mead Garden was slower than expected for Warblers' fall migration. Mead is a beautiful place and constantly changing.

Gorgeous flowers, Butterflies, Gopher Tortoise playground with a large Tortoise RUNNING into his burrow, and a boardwalk.

We had a list of 28 species, but we sadly missed the Barred Owl reported by others.

Thank you all for coming out and helping to find the Warblers, Vireos, Acadian Flycatcher, etc. that we did see.

PLEASE CHECK OUR WEBSITE FOR UPCOMING WALKS AND MONTHLY MEETINGS. <u>www.villagebirders.org</u>

NEXT WALK: Wednesday, Oct. 27th, MEET @ 8:00am at CUDHADJOE Park, Ocala. - Leader Tami Reece (Marion Audubon) and Alice Horst

ADDRESS: CUDHADJOE PARK 4225 NE 35th St, Ocala, FL 34479
