20 of us enjoyed a beautiful morning at Lake Panasoffkee. It was not as "birdie" as anticipated but our feathered friends are just so unpredictable!

We scoped the fields, walked around under the huge trees in the campground, and walked down the gravel path beyond the locked gate.

It was amazingly quiet but our group still tallied 33 species. Our eBird list will be sent separately.

Let's all remember how lucky we are to experience such a beautiful place out in nature!

Please share your photos with The Village Birders.

Thank you all for coming out today!

Every day is a GREAT day to go birding!
