Oct. 19, 2023

18 birders had a fabulous day at Orlando Wetlands yesterday. The weather was perfect and our Tram Tour was excellent. We walked the new boardwalk and had a picnic lunch.

Not everyone saw every bird but we tallied 55 species including a Yellow-billed Cuckoo, a single Roseate Spoonbill, Peregrine Falcon, Acadian Flycatcher, Ovenbird, and Black-crowned night herons.

Bird list below:

Our Orlando Wetlands' check list is also available on our website: www.villagebirders.org

Thank you everyone for joining us and contributing to our great day.
